

OPTIONAL WARRANTY

1. Roadside Protection

Let there be no surprises while traveling. While you are on the road, make sure you have peace of mind, be it a punctured tire due to bad road conditions, the Protek 360° Warranty will make traveling easier and take the difficulty out of difficult moments.

The replacement of parts, the wheel and rim will be of equal quality, including mounting and balancing. All this done without added cost to you.

2. Claims-free Bonus

2000\$ will be returned to you at the expiration of your contract if the warranty wasn't used. Simply contact your dealership for your 2000\$ reimbursement.

3. On-site Services for Stationary Vehicles - Service Call

Up to 200\$ per service call per vehicle is allocated for the travel expenses for an on-site visit by a technician.

The terms of the warranty contract take precedence over this brochure.

Refer to your contract **Protek 360° Warranty Contract** for exact terms, coverage, policy limits and exclusions.

This brochure is not a contract. It is published for promotional purposes only. Coverage and stipulations are indicated within your contract.

OTHER BENEFITS

INCLUDED IN ALL WARRANTIES

An assortment of coverage is offered in addition to advantageous offers, here are a few:

Towing - Up to 300\$ reimbursement per incident

Emergency Roadside Service Calls - Up to 100\$ will be reimbursed per service call. This service is offered if incident is eligible within the contract warranty.

Food Loss - A reimbursement of up to 100\$ per incident eligible under contract warranty.

Franchise Reduction - You will receive a 50\$ deductible if the towed vehicle is repaired at the dealership.

Transferable Coverage - All the stipulations included in the contract are entirely transferable to the next owner if the owner is not a merchant. Transfer fees apply. The new owner must be eligible.

Living Reimbursement (in case of incident) - Up to 100\$ a day will be allotted for lodging and food in the eventuality of an incident covered by the warranty for a maximum of 300\$. (3 days).

AVAILABLE WARRANTIES FOR TOWED VEHICLES

2 COVERAGE PLANS AVAILABLE

PRIVILEGE WARRANTY

NUMBER 1 TO 14
INCLUDED

1. CHASSIS

All components in the unit lifting system including manual or electric. The spring lift, lifting cable, winch, electric motor, stand, electric stand motor, jack, lifting system welding joints and pulley.

2. STAIRS

Printed circuit board(s), inside control switch and motor.

3. SUSPENSION

Wheel bearings, coil and leaf springs, spindles, axles (unless bent), seals and gaskets.

4. BRAKES

Drums, master cylinder, hydraulic and electric brakes actuator, brake control *if purchased and installed at the time of purchase*.

5. WATER HEATER

Tank, burner, gas valve, thermocouple, thermostat, switch, electric ignition system, electric supply cables, circuit boards, heating elements, pressure relief valve, overflow pipe, connections, seals, gaskets and interior control board.

6. HEATING SYSTEM

Igniter, burner thermocouple, gas valve, thermostat, blower, P.C. board. 1.P. fittings and connections, heat exchanger, motor wheel, time delay relay, switches and gaskets.

7. REFRIGERATOR

Thermostat, thermocouple, compressor, evaporator, burner, cooling unit, condenser, blower, igniter, P.C. board. 1 P. fittings and connections, control panels, elements, switches and seals.

8. RANGE AND OVENS

Burner kit, burner valves, thermocouple, thermostat, power hood, P.C. board, 1.P. fittings and connections, ignition kit, seals and gaskets.

8.1 RANGE AND OVENS - Includes:

Rangehood, microwave, and convection microwave.

9. CENTRAL AIR SYSTEM/ROOF UNIT

110-volt central air or roof-mounted unit, installed by the manufacturer or installed at the dealership. Includes compressor, evaporator, capacitors, relays; thermostat, heat strips, heat pump, condenser, expansion valve, accumulator, receiver/dryer, blower motor, switches, electronic module, reversing valve, P.C. boards, pressure cycling switch, ventilation fans, ducts and control panel, high/low cut-off switches, seals and gaskets.

10. L.P GAS SYSTEM

L.P gas bottle/reservoir, regulators, valves, gauges, mounting brackets, pigtails, gas line fittings and shut-off system, valve, seals and gaskets.

11. FRESH WATER SYSTEM

Water pump, compressor, water tank, water lines, traps, fittings and connections, faucets, seals and gaskets.

12. SEWAGE SYSTEM

Waste water tank, gate valves and seals, fittings and connections, vacuum breaker, float assembly, ball valve, slide valve, water inlet valve, seals and gaskets.

13. ELECTRICAL SYSTEM

Electrical wiring (12 and 120 volts), outlet, switch (12 and 120 volts), breaker panels, power converter (12 and 120 volts), converter circuit boards, L.P. detector, carbon monoxide detector, smoke detector.

14. AUDIO & VIDEO COMPONENTS

Televisions, (reimbursements of up to 500\$ pr less, limited to 2 claims for the term of the contract). Factory-installed stereo system, CD/DVD, Blu-Ray player included, (speakers excluded) and the antenna motor.

THE COMPONENTS DESCRIBED IN POINTS 1 TO 19, AS WELL AS ADDITIONAL COMPONENTS, ARE COVERED BY THIS PROTECTION, IF THEY HAVE BEEN INSTALLED BY THE MANUFACTURER OR A DEALER AUTHORIZED BY THE LATTER.

PRIVILEGE PLUS WARRANTY

NUMBER 1 TO 19

15. SLIDE-OUT ROOM

All components, mechanical, electrical and hydraulic mechanism, slide-out room and raised roof extension systems are included.

16. STABILIZER JACK SYSTEM

The stabilizer system includes electrical, hydraulics and mechanical.

17. GENERATOR

All internal lubricated parts of the generator engine, cylinder head and/or cylinder block if damaged by breakage of an internal lubricated part, starter, electric generator, voltage regulator, control panel, switches, circuit boards, control panel, interior panel, remote control, hour meter, gauges, automatic transfer relay.

18. SOLAR PANELS AND INVERTERS

Maximum 360 watts solar panels, internal control, circuit boards, charge controller, wiring, inverter (12 and 120 volts).

19. DELUXE ITEMS

Ice maker, freezer, washer/dryer (excluding hoses and belts), dishwasher, trash compactor, water purifier, central vacuum cleaner, back up camera, projector, alarm system, remote door locking system, door locks and handles, door hinges, mechanical components of the primary awning (excluding awning fabric), exterior refrigerator, thermostat, interior and exterior lighting fixtures, (excluding light bulbs).

EXTRA BENEFITS

The list that follows are the extra benefits covered in this warranty coverage.

- ✓ Automatic winterizing system
- ✓ Awning hardware
- ✓ Awning motor
- ✓ Awning wind sensor
- ✓ Ceiling fans
- ✓ Complete Aqua-Hot heating system
- ✓ Converter/inverter
- ✓ Electric fireplace
- ✓ Icemaker and refrigerator seals
- ✓ Monitoring panel
- ✓ Phone jacks
- ✓ Satellite radios
- ✓ Satellite systems
- ✓ Security system (Installed by Manufacturer)
- ✓ Outside shower system
- ✓ TPMS sensors
- ✓ Meteorological center (Installed by Manufacturer)
- ✓ Exterior entertainment center
- ✓ Central control system
